

Allergens

- Making an Allergen Claim?
- Worried you could be the next allergen recall?
- Looking to conduct an allergen validation?

Allergens

Food Science & Safety Services

Maxxam screens for a comprehensive range of allergen proteins and residues in food and swab samples

Maxxam's Food Science & Safety Services group offers:

- Allergen testing for ingredients, finished product and environmental surfaces
- 5 day Regular Turn-around Time (1 day Rush available)
- Accredited, full-service ELISA testing methodology (Enzyme-Linked Immunosorbant Assay)
- Validation testing for on-site/internal laboratories

Work with Maxxam to ensure your products are in compliance with the latest 'allergen-free' or 'gluten-free' claims desired by your marketing teams.
